Supplementary Figure 1. Age Distribution in two different populations.

Age group (year-old)

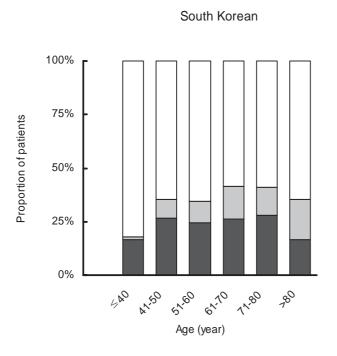

Supplementary Figure 2. Differences in Stroke subtypes by Race-Ethnic group.

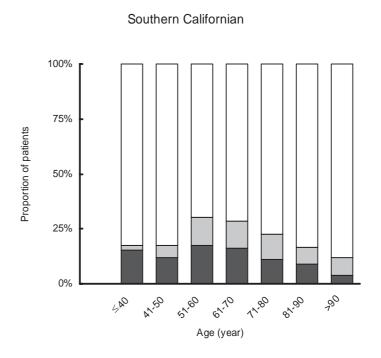

EC-LAA, extracranial atherosclerosis; IC-LAA, intracranial atherosclerosis; SVO, small vessel occlusion; and CE, cardioembolic.

Unknown cause included cryptogenic stroke, cause>1, and incomplete work ups.

Supplementary Figure 3. Age and distribution of atherosclerosis.

- ☐ Nonatherosclerotic
- Extracranial atherosclerotic
- Intracranial athersclerotic
