

International Exploratory Workshop on Cancer Cascade Genetic Screening in Switzerland

Basel, 20 – 22 September 2017

Regenzimmer, 1st floor, Kollegienhaus, University of Basel

Petersplatz 1, 4001 Basel

Registration: Ms. Heike Heinemann heike.heinemann@unibas.ch

Day 1. Wednesday September 20 th 2017		Day 2. Thursday September 21 st 2017		Day 3. Friday September 22 nd 2017	
9:00-9:15	Prof. Dr. Maria Katapodi, PhD, RN, FAAN Welcome, Objectives	9:00-9:15	Prof. Dr. Maria Katapodi, PhD, RN, FAAN Welcome, Objectives	9:00-9:15	Prof. Dr. Maria Katapodi, PhD, RN, FAAN Welcome, Objectives
9:15-11:30 w/ coffee break	Prof. Dr. Eric Sijbrands, MD, PhD Erasmus University, The Netherlands <ul style="list-style-type: none"> Cascade screening and biobank for Familial Hypercholesterolemia (FH) in the Netherlands From research to implementation (1999 to 2017) Scientific insights from 15 years of genetic screening for FH 	9:15-11:00 w/ coffee break	Prof. Heather L. Hampel, MS, LGC The Ohio State University, Comprehensive Cancer Center, USA <ul style="list-style-type: none"> State-wide efforts in Ohio for cascade genetic testing for LS NASEM/NAM Action Collaborative on Genomics and Population Health 	9:15-11:30 w/ coffee break	PD Dr. Christian Kurzeder, MD, PhD Gynäkologische Onkologie, Universitätsspital Basel, Switzerland <ul style="list-style-type: none"> Young women - breast cancer, ovarian cancer, endometrial cancer High-risk clinics and collaboration for surveillance
11:30-12:30	Prof. Dr. Nicole Probst-Hensch, MPH Swiss Tropical and Public Health Institute, Switzerland <ul style="list-style-type: none"> Population-based reference data to support cancer cascade genetics screening 	11:00-12:30	Dr. Zanfina Ademi, MPH, PhD European Center for Pharmaceutical Medicine, University of Basel, Switzerland Prof. Dr. Simon Wieser, PhD ZHAW School of Management and Law, Health Economic Research, Switzerland <ul style="list-style-type: none"> Cost-effectiveness cascade genetic screening for FH Modeling cost-effectiveness cascade genetic screening for HBOC & LS 	11:30-12:30	Prof. Maria Caiata-Zufferey, PhD University of Applied Sciences and Arts of Southern Switzerland <ul style="list-style-type: none"> Challenges in patient-provider communication for hereditary cancer risk
12:30-13:30	Lunch Break	12:30-13:30	Lunch Break	12:30-13:30	Lunch Break
13:30-16:30 w/ coffee break	Prof. Dr. Pierre Chappuis, MD and Dr. Valeria Viassolo, MD Hôpitaux Universitaires Genève, Switzerland Prof. Dr. med. Dr. phil Karl Heinemann, MD, PhD Universitätsspital Basel, Switzerland <ul style="list-style-type: none"> HBOC & LS in Switzerland: State of the Art Challenges of establishing cancer cascade genetic screening for HBOC & LS in Switzerland Prof. Dr. Maria Katapodi, PhD, RN, FAAN University of Basel, Switzerland <ul style="list-style-type: none"> Progress, challenges, and preliminary findings from the CASCADE study 	13:30-15:30 w/ coffee break	Prof. Dr. Victoria Champion, PhD, RN, FAAN Population Sciences, Simon Cancer Center & School of Nursing, Indiana University, USA <ul style="list-style-type: none"> Establishing inter-professional collaboration for research in basic science, epidemiology, and translational studies Challenges and opportunities for partnerships with academia, clinical sites, and industry 	13:30-15:00 15:00-15:30	Prof. Dr. Laurel Northouse, PhD, RN, FAAN University of Michigan School of Nursing, USA <ul style="list-style-type: none"> Family challenges in cancer survivorship Family-based interventions for psychosocial support and communication Prof. Dr. Maria Katapodi, PhD, RN, FAAN University of Basel, Switzerland <ul style="list-style-type: none"> Swiss Cancer Predisposition Cascade Screening Consortium: governance, collaboration, intellectual property
16:30-17:00	Discussion – Pragmatic approach to cascade cohort and genetic testing for HBOC & LS Prof. Dr. Sijbrands, Prof. Dr. Probst-Hensch, Prof. Dr. Chappuis, Prof. Dr. Heinemann, Prof. Dr. Katapodi	15:30-17:00	Discussion – Setting priorities for cascade genetic screening for HBOC & LS, including cost-effectiveness Stakeholders and academic-clinical-industry partnerships Prof. Hampel, Dr. Ademi, Prof. Dr. Wieser, Prof. Dr. Champion, Prof. Dr. Katapodi	15:30-16:30	Discussion – Coordination for surveillance Swiss-based interventions for patient-provider and patient-family communication Conclusions and closing remarks Dr. Kurzeder, Dr. Caiata-Zufferey, Prof. Dr. Northouse, Prof. Dr. Katapodi
17:00-18:00	Apero
