Supplementary Table

Refined search, absolute numbers. The *Thomson Reuters* (formerly *ISI*) *Web of Knowledge* was searched during May and June 2012 for the period January 2001 and December 2011. This search was afterwards limited to each country separately: Denmark, England, Finland, France, Germany, Italy, the Netherlands, Norway, Spain, Sweden, and the USA.

Search divided into subject fields is done in two separate strategies.
